

Application
Loss Mitigation Grant Program
Risk Management & Tort Defense Division
Department of Administration

Purpose & General Provisions:

Effective July 1, 2010, the Risk Management & Tort Defense Division (RMTD) offers loss mitigation grants to state agencies and universities for projects, equipment, or training that reduce the likelihood or severity of future insured auto, aviation, liability, and property claims.

Requirements & Documentation:

To be eligible for loss mitigation grants, your agency must sign and return this application form to John Duezabou at RMTD with an explanation of the project and the amount requested.

If funding is approved, the agency must:

- 1) Comply with all appropriate regulations regarding requesting bids and requiring contracts before the loss mitigation measure(s) commence.
- 2) Submit an estimate to RMTD for approval before the loss mitigation measure(s) commence.
- 3) For payment before fiscal year end, send invoices to RMTD **no later than June 1st**. RMTD will not transfer funds to state agencies/universities, but will pay contractor and supplier invoices directly.

RMTD Responsibilities:

- 1) Review grant applications.
- 2) Notify agency representatives whether grant application is approved or denied within 90 days. If approved, RMTD will establish the amount of the grant. Funds must be spent within the fiscal year approved unless other arrangements are made with RMTD. Note: Approval of grants is subject to availability of funding.
- 3) Pay invoices from suppliers.

Contact John Duezabou, RMTD, at 444-0195 for additional information.
