Insurance Procurement & Administration Overview

In accordance with §2-9-201, MCA, the Risk Management & Tort Defense (RMTD) Division administers a comprehensive insurance plan for state agencies.

The plan includes auto, aviation, liability, property, and any other policies of insurance that the division deems reasonable after consultation with state agencies. Agencies should not purchase insurance without the prior approval of RMTD.

Commercial insurance is periodically bid on a competitive basis through an insurance agent. The inception date of the state’s commercial insurance policies coincides with the fiscal year (i.e. July 1st). Most insurance policies expire on June 30th but ‘rollover’ to the next fiscal year on July 1st.

Primary and Excess Insurance

Losses that are limited in size and are unlikely to occur in large numbers are self-insured. In order to maintain cost-effective insurance protection, the state purchases some commercial insurance on an ‘excess basis’.

Excess insurance ‘sits above’ a high deductible and features broader coverage and high policy limits. Excess insurance is specifically designed to protect the state from catastrophic losses such as flood or earthquake.

A detailed summary of insurance coverage, policy limits, and deductibles may be found on page 6.

General Provisions

The insurance policies described in this booklet cover claims subject to the general conditions of coverage, covered locations, causes, activities, deductibles, and limits as indicated hereafter. Coverage is mandatory and requires agency participation UNLESS otherwise indicated.

The information provided in this booklet is intended to assist state agencies to understand ‘general’ concepts and principles. The information does not alter or limit the provisions of the state’s insurance policies or statutes. Do not attempt to interpret policy provisions.

More specific information about insurance may be obtained from the division’s website at http://rmtd.mt.gov/insurance/propertycasualtyinsurance.asp.

Please contact our insurance staff at (406) 444-2421 if you have additional questions.

1. Assignment: State agencies shall not prejudice the state’s interest in a claim by assigning the state’s financial interests to any other person or entity.

2. Notification: State agencies shall notify the Risk Management and Tort Defense Division of the claim within 24 hours if the claim involves personal injury and 5 business days for all other claims. Claims not reported within 60 days may not be paid.

4. Remittance: Premiums, co-insurance, and deductible billing information will be sent to each state agency at the beginning of the biennium. State agencies shall remit paid premiums to the Risk Management and Tort Defense Division by September 1st of each fiscal year.

5. Renewal: All self-insurance policies are continuous unless notice is otherwise provided to state agencies. All commercial insurance policies are subject to renewal annually.

6. Territory: Coverage is generally provided for state agencies in the U.S. and Canada, provided that claims are made or suits are settled within these territories. For coverage outside of these territories, please contact the Risk Management & Tort Defense Division at (406)444-2421.

7. Course and Scope of Employment: In accordance with §2-9-305, MCA, a state employee is not be covered under the state’s insurance plan if the conduct upon which the claim is based constitutes a criminal offense, the employee compromises or settles the claim without the consent of the state, or the employee fails to cooperate in the defense of the claim.

Notary Bond

The Risk Management & Tort Defense Division offers a low cost notary bond alternative in response to numerous requests from our clients for a convenient one source stop for all insurance coverage needs.

The notary bond protects the public from a notary's failure to correctly validate the identity of parties to an agreement/contract. The general requirement is that a Montana notary bond must be for at least 4 years and $10,000.

Since the notary bond protects the public, not the notary, it is recommended that state and university notaries obtain at least $10,000 in additional errors and omissions coverage. The errors and omissions coverage protects the notary from negligent acts or omissions.

State agency or university system notaries may now obtain a notary bond through the state's insurance broker, Alliant Insurance Services Inc. Alliant has agreed to place this coverage with a qualified insurance company at the rate schedule found at [http://rmtd.mt.gov/insurance/notarybond](http://rmtd.mt.gov/insurance/notarybond).

For additional information about how to become a notary or to renew your notary commission, please visit the Secretary of State's website at [http://sos.mt.gov/Notary/New/index.asp](http://sos.mt.gov/Notary/New/index.asp). To apply for notary bond coverage please complete the electronic application found at [http://rmtd.mt.gov/insurance/notarybond](http://rmtd.mt.gov/insurance/notarybond).

The application MUST be printed out and faxed to Heidi Newell, Alliant Insurance Services at 619-699-0906 for formal review. Your agency will be billed directly for the cost of the notary bond. In addition, the notary bond will also be sent to the billing address indicated on the application.

You may contact Heidi, Alliant Insurance Services, at 949-660-8134 with any additional questions about your notary bond.

Special Event Liability Insurance Program

A summary of insurance coverage is provided below. This summary does not alter or amend coverage provided in statute or under the state property/casualty insurance program. To learn more about this coverage or to obtain program requirements, please visit our website at http://rmtd.mt.gov/insurance/tulip or contact the Risk Management & Tort Defense Division at (406)444-2421.

State agencies and universities are the stewards of valuable properties including buildings, equipment, land, water, and recreational sites. Public and private organizations outside of Montana State Government often request permission to use these facilities for official functions and/or recreational activities. State facilities or universities occasionally sponsor fundraisers, recreational activities, or gala events that may further the state's mission. However, some of these activities may present an unusually high degree of risk and result in claims or lawsuits. Such events may warrant special events liability insurance as opposed to insurance provided under the state's self-insured program.

Please follow these steps to secure liability coverage:

1. Complete TULIP Application
   
   For events sponsored by a tenant/user, please complete the Tenant/User Liability Insurance Application found on our website at http://rmtd.mt.gov/insurance/tulip Section 1. and send it to Cathy Meidinger, Risk Management & Tort Defense Division, P.O. Box 200124, Helena, Montana, 59620-0124, cmeidinger2@mt.gov, (406)444-3600. For special events or high risk activities sponsored by a state agency that may fall outside the scope of the state's self-insured program such as fireworks, parades, athletic events, and concerts, please complete the Nominee Event Application found on our website at http://rmtd.mt.gov/insurance/tulip Section 1. and send it to Brett Dahl, Risk Management & Tort Defense Division, P.O. Box 200124, Helena, Montana, 59620-0124, bdahl@mt.gov, (406)444-3687. Please submit the appropriate TULIP application at least 15 business days in advance of an event to allow enough lead time to secure coverage.

2. Notification of Coverage
   
   You will be notified by the Risk Management & Tort Defense Division in writing of the insurance carrier's decision to approve or deny insurance coverage for each event within 5 business days. Each event will be rated in accordance with the schedules provided in the Special Event Liability Insurance Guidelines and Procedures Manual found on our website at http://rmtd.mt.gov/insurance/tulip Section 2. and the insurance premium will be determined from the hazard schedule therein. If the event is not approved for insurance coverage, you must instruct your tenant/user/instructor to secure his/her own coverage through a licensed insurance agent in Montana. The state must be named as an additional insured on the tenant/user/instructor's insurance for any use of state premises. Any exception must be approved by the Risk Management & Tort Defense Division.

3. Insurance Premium Payments
   
   For tenant/user events, each agency is responsible to collect the insurance premium from its tenant/user before each event commences. Agencies will be billed on a quarterly basis for tenant/user and nominee event premium in accordance with the Special Event Reporting Schedule found on our website at http://rmtd.mt.gov/insurance/tulip Section 3. Agencies must remit payment to the Risk Management & Tort Defense Division by April 5th, July 5th, October 5th, and January 5th each year. Failure to make payment will result in cancellation of your coverage and disqualification from the state's TULIP program. The Risk Management & Tort Defense Division will remit quarterly premiums to Driver Alliant Insurance Services, Special Events, P. O. Box 6450, Newport Beach, CA 92658 by April 15th , July 15th , October 15th , and January 15th of each year.

4. Certificates of Insurance
   
   Certificates of insurance will be issued by Cathy Meidinger, Risk Management & Tort Defense Division. Your agency will receive a copy of each certificate that is issued.
5. **Acknowledgement of Risk**

Waivers of liability are illegal in Montana; however, your agency must prepare an "Acknowledgement of Risk Form" to be signed by participants in all athletic events. Guidelines may be found at the Risk Management & Tort Defense Division's web site at http://rmtd.mt.gov/aboutus/files/waivers_of_liability.doc. Signed "Acknowledgement of Risk Forms" for all athletic events must be sent to Cathy Meidinger, Risk Management & Tort Defense Division.

Auto Liability Insurance

If your vehicle does not have one, it may be downloaded from the Risk Management & Tort Defense Division's website at [http://rmtd.mt.gov/insurance/certofins1](http://rmtd.mt.gov/insurance/certofins1). For leased or courtesy vehicles, agency personnel are responsible to download the certificate of auto liability insurance from the division's website [http://rmtd.mt.gov/insurance/certofins1](http://rmtd.mt.gov/insurance/certofins1) and assure that it is in the vehicle.

Other

All other certificates of insurance must be obtained from the Risk Management and Tort Defense Division. Certificates are not available for activities or employees that the Risk Management and Tort Defense Division does not insure. Example(s): State employees using personal vehicles must carry evidence or proof of their own personal vehicle insurance since this insurance coverage is primary. To request a certificate of insurance, please complete the Certificate of Insurance Request Form found at [http://rmtd.mt.gov/insurance/certofins1](http://rmtd.mt.gov/insurance/certofins1).

Please contact the Risk Management & Tort Defense Division at (406)444-2421 if you have additional questions.
Insurance Premium Allocation
2017 Biennium

In accordance with §2-9-202, MCA, the Risk Management & Tort Defense Division is responsible for the allocation of insurance premiums to state agencies subject to appropriations by the legislature. The philosophy of the Risk Management & Tort Defense Division is that each state agency should bear a proportionate share of premium commensurate with its loss experience and exposure.

The Risk Management & Tort Defense Division incurs significant expense in the investigation, defense, and settlement of claims and lawsuits. Agencies with higher losses will pay higher insurance premiums. No one agency is expected to bear the burden of paying for total costs of unexpected losses from its authorized budget. The Risk Management & Tort Defense Division allocates insurance premium as provided in the 2017 Biennium Decision Package Summary as follows:

**Auto**

Total auto premium collections of $1,498,200 each year of the biennium is comprised of two separate insurance coverages:

<table>
<thead>
<tr>
<th></th>
<th>FY 2016</th>
<th>FY 2017</th>
</tr>
</thead>
<tbody>
<tr>
<td>Auto comp/collision</td>
<td>$615,008</td>
<td>$641,670</td>
</tr>
<tr>
<td>Auto liability premium</td>
<td>$883,194</td>
<td>$856,531</td>
</tr>
</tbody>
</table>

Auto comp/collision premiums for FY 2016 and FY 2017 are based upon total values of reported vehicles. Auto liability insurance premium for the 2017 biennium will be based upon agency losses for the past 4 years as well as the number of vehicles reported by each agency and will vary by agency.

**Aviation**

Aviation premium of $169,961 in FY 2016 and FY 2017 is allocated to those agencies that have aircraft based upon charges from commercial insurance carriers for each aircraft, depending on the year, make, model, and value of the aircraft. Airport premium is apportioned to those agencies that have airports based upon the number of airports.

**General Liability**

Total general liability premium of $10,824,476 each year of the biennium is comprised of commercial coverage and self-insured coverage as follows:

<table>
<thead>
<tr>
<th></th>
<th>FY 2016</th>
<th>FY 2017</th>
</tr>
</thead>
<tbody>
<tr>
<td>Commercial coverage</td>
<td>$393,513</td>
<td>$447,334</td>
</tr>
<tr>
<td>Self-insured coverage</td>
<td>$10,430,963</td>
<td>$10,377,142</td>
</tr>
</tbody>
</table>

Commercial coverage charges are negotiated with commercial insurance carriers. General liability rates for each agency will increase for the 2017 biennium; however, premiums by agency may vary slightly to changes in exposure (i.e. # of FTE’s)

**Property**

Property insurance premium of $6,300,000 is allocated to each agency based on its percentage of reported exposures (i.e. building replacement cost values, boilers & machinery, etc.). A breakdown of insurance premium by agency may be found on the Risk Management & Tort Defense Division’s website under “Insurance Premium Allocation” at [http://rmtd.mt.gov/insurance](http://rmtd.mt.gov/insurance).

Loss Prevention

Agency losses stem from a variety of causes, but typically fall into four broad categories:

1. **Damage to Property** - Physical damage to aircraft, boilers & machinery, buildings, vehicles, and other state property.

2. **Liability to Others** - Legal liability to others arising from negligent acts or omissions.

3. **Loss of Income or Increased Costs** - Loss of revenue from income producing operations.

4. **Workers’ Compensation Claims** - Employee accidents and injuries.

Through effective loss prevention programs, state agencies can reduce the underlying risk factors that often precede claims or losses; thus saving tax dollars and other resources.

RMTD provides consultative services, building appraisals, training, on-site inspections, building design reviews for engineering controls, and risk exposure evaluations.

In addition, RMTD offers loss mitigation expense funding to state agencies and universities for projects, equipment, or training that reduce the likelihood of insured auto, aviation, liability, and property claims.

Agencies may apply for funds by completing the Loss Mitigation Grant Program Application found at [http://rmtd.mt.gov/safetylosscontrol/lossmitigationgrants](http://rmtd.mt.gov/safetylosscontrol/lossmitigationgrants).

More specific information about loss prevention services offered by the Risk Management & Tort Defense Division may be obtained at [http://rmtd.mt.gov/safetylosscontrol](http://rmtd.mt.gov/safetylosscontrol) or by contacting staff at the Risk Management & Tort Defense Division at (406)444-2421.
Claims Reporting

In accordance with §2-9-303, MCA, the Risk Management & Tort Defense Division (RMTD) may settle any claim for personal injury/property damage in behalf of state agencies. Timely and accurate reporting of claims is critical in order to protect the interests of the state and its employees. Please follow these procedures to report a claim.

In accordance with §2-9-303, MCA, the Risk Management & Tort Defense Division (RMTD) may settle any claim for personal injury/property damage in behalf of state agencies. Timely and accurate reporting of claims is critical in order to protect the interests of the state and its employees. Please follow these procedures to report a claim.

1. For reporting purposes, claims fall into one of four categories:
   a. **Vehicle** - losses arising from the use of state owned, leased, or courtesy vehicles, mobile equipment, and watercraft.
   b. **Personal Injury** - losses to 'non-state parties' arising from personal injury or property damage other than vehicles.
   c. **Property** - losses to state property other than automobile and personal injury arising from perils such as hail, windstorm, earthquake, fire, theft, etc.
   d. **Data Breach/Other** - losses arising from data/information security breaches and other losses.

2. After an agency or university has suffered a loss, the employee most familiar with the incident should immediately notify his/her supervisor and complete the Report of Incident form found at http://rmtd.mt.gov/claims/reportincidentform. For vehicular accidents, guidelines about what information to collect and what to say and do at the accident scene may be found at http://rmtd.mt.gov/claims/incaseaccidentform or in the Accident Form located in the vehicle glove box.

3. The immediate supervisor or his/her designee must conduct an investigation to determine what happened, why it happened, and how the claim can be prevented from recurring.

4. Any catastrophic property loss, data breach, or other loss which involves a fatality or bodily injury, should be telephoned to RMTD claims staff at (406)444-2421 by the immediate supervisor or his/her designee as early as possible the day of the incident, or, if after normal business hours (i.e. 8:00 a.m. to 5:00 p.m.), the next day. The ‘Report of Incident’ must be signed by the supervisor and submitted to RMTD within 24 hours.

5. For all other losses, the immediate supervisor or designee must assure that a Report of Incident form is accurately completed, signed, and sent to RMTD within 5 business days. Claims that are not reported within 60 days may be denied.

6. A Report of Incident form should be initiated even if no injury or property damage resulted from the incident. An incident that occurs today with little consequence for the agency involved, may have serious consequences for others at some future date.

7. The Report of Incident form must contain only factual information. State personnel who are completing the reports should exercise caution not to place blame on other state employees or admit liability.

8. Do not furnish information on claims or lawsuits to unauthorized persons other than law enforcement officials. Obtain names and address of witness. Refer all other questions to RMTD.

9. In the event of a claim involving theft of money, securities, or other property, notify the police immediately and call RMTD claims staff as soon as possible.

10. Copies of the Report of Incident form shall be distributed as follows:
11. Contact us. If a loss occurs during normal business hours you may reach any of our staff at their phone extensions http://rmtd.mt.gov/aboutus/organizationstaff or call (406)444-2421. In the event of an emergency, after normal business hours call (406)444-2421 and press 1. for Jennie Younkin, 2. for Gordon Amsbaugh, 3. for Kirk Barfuss or 4. for Brett Dahl. Your phone call will then be transferred to a live person. Follow the instructions at http://rmtd.mt.gov/claims/agenciesreportclaims for filing a claim and send the Report of Incident and other appropriate documentation to our office immediately.
